

FEELS LIKE FOREVER

(Christian Tiritiello - Ulf Georgsson)

The moon is out and we're close

Just as close as anyone can be

You look in my eyes

Whatever you do to me now

No one else's been doing it to me

I feel paralyzed

Hearts beating stronger

Nothing can hold us from each other

FEELS LIKE FOREVER

WHEN WE'RE TOGETHER

YOU TURNED MY WHOLE WORLD UPSIDE DOWN

I FEEL THE LOVE INSIDE WHENEVER YOU'RE WITH ME

FEELS LIKE FOREVER AND FOREVER

You whisper words in my ears

That could take me far away from here

To heaven with you

This night was made for our souls

You have chased away my frights and fear

My love has come true

Hearts beating stronger

Nothing can hold us from each other

FEELS LIKE FOREVER

WHEN WE'RE TOGETHER

YOU TURNED MY WHOLE WORLD UPSIDE DOWN

I FEEL THE LOVE INSIDE WHENEVER YOU'RE WITH ME

FEELS LIKE FOREVER AND FOREVER

FEELS LIKE FOREVER

WHEN WE'RE TOGETHER

YOU TURNED MY WHOLE WORLD UPSIDE DOWN

I FEEL THE LOVE INSIDE WHENEVER YOU'RE WITH ME

FEELS LIKE FOREVER AND FOREVER
