

LOVE WILL SHINE

(Christian Tiritiello - Ulf Georgsson)

I've been carrying this faith for you
Ever since the day we met
I'm determined what I should do
We found love and it's shining through

Hold me, take me higher
Feel the fire inside
'cause now I know
No one can stop me
Nothing is left to hide

Feels like the sun above
Is there for you 'cause...

LOVE WILL SHINE

YOU TAKE ME ALL THE WAY NOW

LOVE WILL SHINE

I'M WAITING NIGHT AND DAY NOW

I will follow every step you take
We will find the rainbow's end
Now there is nothing compared to you
You made my life and my dreams come true

Tonight, nothing can stop me

Destiny's here in our hands

Follow the stars above

They're here for us cause...

LOVE WILL SHINE

YOU TAKE ME ALL THE WAY NOW

LOVE WILL SHINE

I'M WAITING NIGHT AND DAY NOW FOR YOU

You are all I need

All I breath

All I see

Can you see that

LOVE WILL SHINE

YOU TAKE ME ALL THE WAY NOW

LOVE WILL SHINE

I'M WAITING NIGHT AND DAY NOW
